1) This past school year, I have been volunteering at school and assisting my family. First, I have volunteered and served my school. During masses, I have willingly been a lector for Saint Paul's Church. Since last summer, I volunteered to aide in caring for the fish at our school. With the assistance of two others, we cleaned and fed the fish. Becoming an ambassador has allowed me to support my ^{Success} ^{fully} school in numerous ways such as saying prayers, giving tours, holding the doors at Mass, and hand out the music sheets as well. Finally, I have assisted my family. I enjoy babysitting my 1 year old brother when my parents need help. When my siblings need assistance, I will see if I can help them. My parents are lawyers and sometimes take us to their office, then I entertain my siblings while ^{my} parents work.

2) Extracurricular activities are crucial to have a well-rounded childhood. ~~Am~~ Bring an Ambassador and cleaning our fishpond are also activities I have done outside of school. There have been numerous events where Ambassadors were requested outside of school hours. One of these events was an open house. We displayed our school and ~~in~~ ^{further} informed our tours about the school. We represent the school including outside school hours. I enjoy being a part of the Ambassador community and feel that it suits me well. Next, caring for the fish as well as being an ambassador may also be an out of school hour activity. During the summer of 2022, 2 other classmates and I have diligently worked on caring for the fish. We would rotate and have turns on cleaning the pond. We have made a vast amount of memories there that I enjoy looking back on to this day.

To The Knights Of Columbus Council 12021:

I have had the pleasure of teaching [REDACTED] for the past year. During that time, I have watched [REDACTED] dedicate herself to her faith and assume various leadership roles in the school. She works very hard in my class and is always willing to participate in class discussions. She asks lots of questions, and I can tell that she really cares about living out her faith. She attends Mass consistently, and she was just confirmed in her Catholic Faith this month.

[REDACTED] is also an ambassador for the school. She represents our school on tours and helps out as an usher during school Masses. Her family is very supportive of her faith, though they do consistently struggle to get her to school on time.

[REDACTED] is prayerful, respectful, and meek, and she would absolutely represent the Knights of Columbus scholarship well.

Yours In Christ,
